

# **DRAMA OF THE AGES**

**FLY THROUGH HISTORY WITH THE ANCIENT BOOK**

**3. A NEW WORLD IS MADE**

It seems the rebellion of Lucifer and his angels occurred near the time that God had been planning to create a new planet, this Earth of ours. Should the plans be laid aside or carried through?

Should the plans be laid aside or carried through? God chose to Create.

The entire Godhead was active in the Creation of this earth, however the leading role was played by the one we know as Jesus, the Son.

For six amazing days, the angels and other worlds watched as God spake and it was done.

Then on the sixth day, when all was ready,  
the Creator took of the material of the  
earth and formed a man.

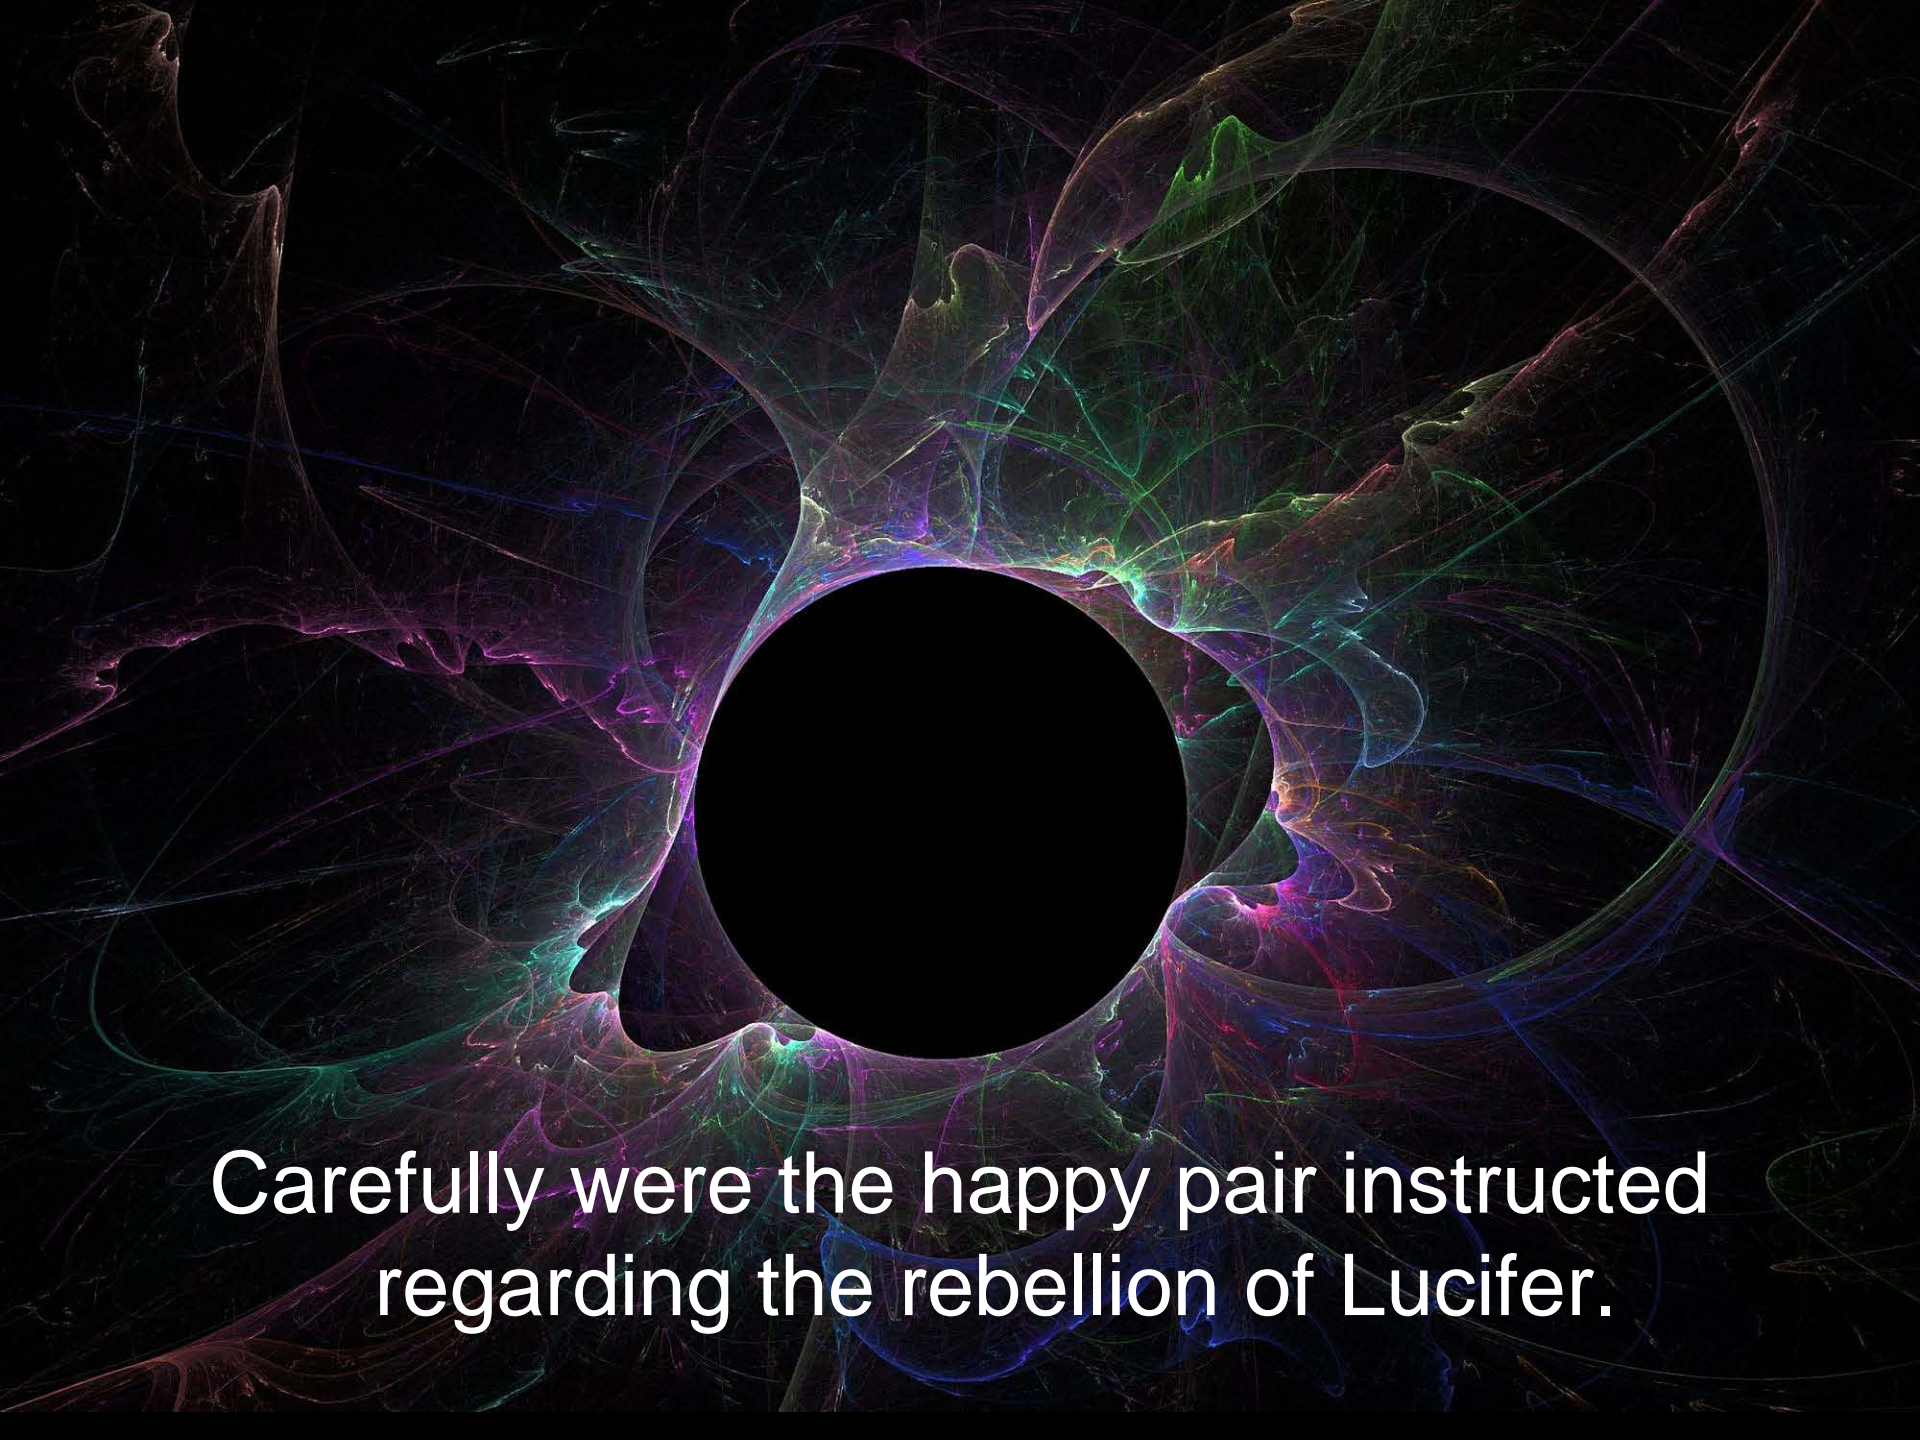

When He breathed the breath of life into him, man became a living soul.

A bit later, taking a rib of the man, God formed a woman and she was brought to the man to be his wife. "Be fruitful and multiply". was God's instruction to them.

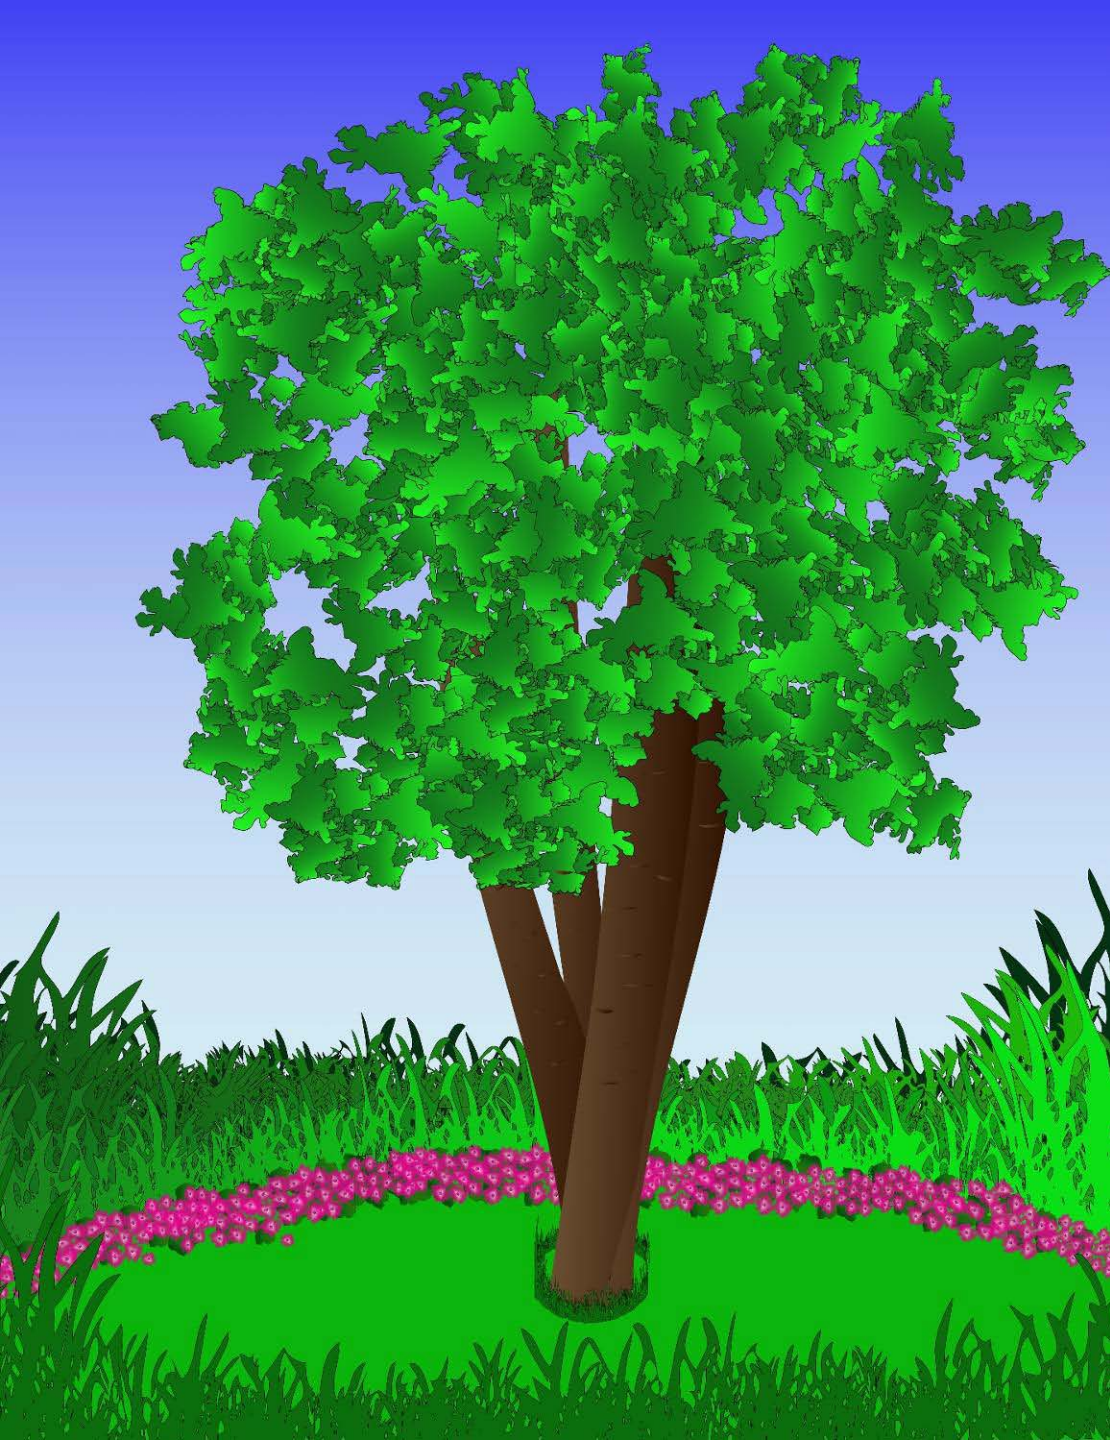

Then God rested the Seventh Day and set it aside forever to be a day of worship for Man to commune with his Maker.

Carefully were the happy pair instructed  
regarding the rebellion of Lucifer.

They were assured that as long as they remained loyal to God, he could not harm them.

He would be allowed to tempt them, but only at one place in the lovely garden that was their home.
